

Privacy statement

If you provide EurAqua with your personal data, they will be processed in accordance with the General Data Protection Regulation.

EurAqua uses your personal data only for the specific purposes for which you supply the data. Your personal data will be kept only for as long as necessary for the purpose for which they have been collected. EurAqua will not make your personal data available to third parties unless you have provided us with your explicit consent to do so, or if there is a legal obligation to do so.

Do you plan to register for an event organised by EurAqua? We will use the data you provide (your name, organisation, position (optional) and email address) exclusively to register you for this event and to establish a picture in advance of the type of participants who have registered. We will not pass on your data to third parties and, if we wish to do so at any time, we will do so only with your consent. After the event, your data will be stored for twelve months in order to send you any correspondence that may be required pursuant to the event. At the end of that twelve-month period, your data will be removed from the records created for the event.

If you have any questions about this privacy statement, about the processing of your personal data in general, or if you wish to access, modify or delete your data, please contact us at:
